

The Philosophy of the Cavalcade of Bands

The Cavalcade of Bands is a non-profit organization composed of member schools coming together to compete on the interscholastic level. The motto of Cavalcade is "Education through Musical Involvement."

It is Cavalcade's firm belief that controlled competition can be a positive educational tool wherein the processes of music education can greatly enhance general education and life skills.

The Cavalcade provides competitive opportunities with marching band field competitions in the fall and indoor guard, twirlers, and drumline competitions in the winter months. Non-competitive jazz band activities also occur in the winter. Individual shows and contest are sponsored by member school with championship contests held at the conclusion of the season.

Membership in Cavalcade of Bands is open to any high school wishing to compete and/or participate and any college or university wishing to participate in exhibition or supportive roles.
